Introduction

This file outlines handling of personal data of our users.

What personal data is stored by the Moodtalk Platform

- Email addresses of users of the platform
- If enabled: Name of the users
- If enabled: HealthCheck data of the user.

What non personal data is stored by the Moodtalk Platform

- Selections of: topics concerning collaboration / topics added manually by the team
- Comments to topics
- Comments to open questions (text format)
- Meeting protocols of Moodtalks
- Rules for topics that the team defines

Where do we store your data

All data entered into the Moodtalk Platform is stored in Switzerland, in the datacenters of Microsoft Azure Switzerland.

For correspondence with users, sales and customer support, we use HubSpot as outlined in [Andere Subprozessoren bei Moodtalk](#) .

Where do we process your data

Your data is processed in Switzerland and other countries with sufficient data protection laws: [Schweizerische Anerkennung von Staaten, die einen angemessenen Datenschutz gewährleisten](#) .

Who can access your data

Only employees of the Moodtalk that require access to your data can access your data.

For more information, see [Roles and Responsibilities](#).
